

Constellation West Hires Dennis Hammer as Vice President of Operations

WASHINGTON, Feb. 6, 2016 — [Constellation West](#), a leading provider of mission-critical technology solutions for the U.S. government and one of the fastest-growing service-disabled veteran-owned, women-owned, small disadvantaged businesses in the country, announced today that Dennis Hammer has joined the company as vice president of operations – capital region.

Dennis Hammer is a seasoned finance and business operations executive with more than 29 years of experience in all segments of our Government business. He plays a very key role in driving the company's operations in implementing corporate strategic initiatives and ensuring operational excellence in achieving our corporate goals.

In his new role as Vice President of Operations, Hammer will be responsible for facilitating annual planning, operational management and reporting, staffing and recruiting, training and development, and various key operational functions.

Hammer is a graduate of Bridgewater College, where he received his Bachelor's Degree in Business Administration. He began his career with Northrop Services Inc., a division of Northrop Corporation, and held executive positions with ManTech International Corporation and GTSI Corp.

About [Constellation West](#)

Constellation West is where extraordinary works. A leading provider of mission-critical technology solutions for the U.S. government, Constellation West is one of the fastest-growing service-disabled veteran-owned, women-owned, small disadvantaged businesses in the country. Constellation West delivers award-winning solutions in program management, cybersecurity, geospatial information systems, IT engineering, cloud computing, mobile applications and process management. Constellation West has an Operations Center in Bellevue, Nebraska, from which it supports a wide array of government customers in defense and civilian sectors, including the U.S. Strategic Command, U.S. Transportation Command, U.S. Air Force, U.S. Marine Corps, U.S. Navy, Department of Veterans Affairs, Environmental Protection Agency, Internal Revenue Service, Department of Agriculture and Small Business Administration. Constellation West is based in Fairfax, Virginia, and was founded in 1997 by Lisa Wolford, a nationally recognized business leader who started her career as a field radio operator in the Marine Corps.
