

Constellation West Promotes Steve Schlossberg to VP of Technology and Business Development

WASHINGTON, D.C. and OMAHA, Neb. March 30, 2017 — [Constellation West](#), a leading provider of mission-critical technology solutions for the U.S. government and one of the fastest-growing service-disabled veteran-owned, women-owned businesses in the country, announced today it has promoted Steve Schlossberg to VP of Technology and Business Development.

“Steve is a prolific Business Development professional who began his career in the Navy, but has always maintained strong technical skills prior to joining our team,” said [Lisa Wolford](#), President & CEO of Constellation West. “Since joining Constellation West 5 years ago, Steve has been in a leader in Business Development and has been a go-to resource in developing detailed, highly technical solutions for our customers. In this new role, Steve will be leading technical solutions across efforts outside of his own, and will also be serving as a mentor to others in technology and Business Development throughout the organization.”

About [Constellation West](#)

Constellation West is where extraordinary works. A leading provider of mission-critical technology solutions for the U.S. government, Constellation West is one of the fastest-growing service-disabled veteran-owned, women-owned businesses in the country. Constellation West delivers award-winning solutions in program management, cybersecurity, geospatial information systems, IT engineering, cloud computing, mobile applications and process management. Constellation West has an Operations Center in Bellevue, Nebraska, from which it supports a wide array of government customers in defense and civilian sectors, including the U.S. Strategic Command, U.S. Transportation Command, U.S. Air Force, U.S. Marine Corps, U.S. Navy, Veterans Administration, Environmental Protection Agency, Internal Revenue Service, Department of Agriculture and Small Business Administration. Constellation West has been honored with a number of awards for its outstanding services, commitment to hiring veterans, and growth as a small business, including the 2014 Gordon H. Mansfield Veterans Small Business Award from the National Veteran Small Business Coalition, 2012 Inc. Hire Power Award, Veteran Small Business Services Champion of the Year award from the Small Business Administration, and inclusion in the Top 100 FedList Telecommunications Network Management Contractors by the Federal Times. Constellation West is headquartered in Fairfax, Virginia, and was founded in 1997 by Lisa Wolford, a nationally recognized business leader who started her career as a field radio operator in the Marine Corps.
