

## Constellation West CEO Selected as Finalist for 17<sup>th</sup> Annual Women in Technology Leadership Awards

**WASHINGTON, February 22, 2016** — [Lisa Wolford](#), president and CEO of [Constellation West](#), a leading provider of mission-critical technology solutions and one of the fastest-growing women-owned, service-disabled veteran-owned government solutions providers in the country, has been chosen as a finalist for the small business entrepreneur category of the [17th Annual Women in Technology \(WIT\) Leadership Awards](#).

“It is a great honor to have been chosen as a finalist for this award,” said [Wolford](#). “As a woman in business, I appreciate efforts made by the Women in Technology organization to celebrate female talent and recognize those who work tirelessly to both succeed in their careers and empower the next generation of women leaders.”

The WIT Leadership Awards recognize the accomplishments of women who work in or support the technology field. The small business entrepreneur category specifically recognizes a woman who demonstrates exemplary leadership traits in a small business or by starting and operating her own business. Winners will be announced at an awards ceremony on May 19 at the Hyatt Regency in Reston.

WIT is the premier organization contributing to the success of professional women in the Washington, D.C. area technology community.

### About [Constellation West](#)

Constellation West is where extraordinary works. A leading provider of mission-critical technology solutions for the U.S. government, Constellation West is one of the fastest-growing service-disabled veteran-owned, women-owned, small disadvantaged businesses in the country. Constellation West delivers award-winning solutions in program management, cybersecurity, geospatial information systems, IT engineering, cloud computing, mobile applications and process management. Constellation West has an Operations Center in Bellevue, Nebraska, from which it supports a wide array of government customers in defense and civilian sectors, including the U.S. Strategic Command, U.S. Transportation Command, U.S. Air Force, U.S. Marine Corps, U.S. Navy, Veterans Administration, Environmental Protection Agency, Internal Revenue Service, Department of Agriculture and Small Business Administration. Constellation West has been honored with a number of awards for its outstanding services, commitment to hiring veterans, and growth as a small business, including the 2014 Gordon H. Mansfield Veterans Small Business Award from the National Veteran Small Business Coalition, 2012 Inc. Hire Power Award, Veteran Small Business Services Champion of the Year award from the Small Business Administration, and inclusion in the Top 100 FedList Telecommunications Network Management Contractors by the Federal Times. Constellation West is based in Fairfax, Virginia, and was founded in 1997 by Lisa Wolford, a nationally recognized business leader who started her career as a field radio operator in the Marine Corps.
