**Client/Server Software Solutions, Inc.
dba Constellation West**

Company Profile:

Founded in 1997, Constellation West is an A&AS, cybersecurity, information technology (IT), and engineering services provider with extensive experience delivering outcome-based solutions and services to a wide variety of Department of Defense (DoD) and Federal agencies. We are a Service-Disabled Veteran-Owned Small Business (SDVOSB), Veteran-Owned Small Business (VOSB), and Women-Owned Small Business (WOSB). Constellation West's CEO, Ms. Lisa Wolford, is a former United States Marine, and founded the company with a mission to provide those who have given so much to our country with opportunities for continuing that service. Many of our employees are former military personnel and we take particular pride in recruiting veterans who uniquely understand the significance of our customers' mission goals and requirements.
