CONSTELLATION WEST HIRES DAVE MAZZULLA AS CHIEF TECHNOLOGY OFFICER (CTO)

Vienna, VA - January 16, 2024. Constellation West welcomes Dave Mazzulla as our new Chief Technology Officer. In this role, Dave will enhance the company's IT and data services portfolio, fortify its infrastructure and quality-related initiatives, and establish a center of excellence for all technology-related capture efforts. A former Naval Nuclear Submarine Officer, Dave boasts extensive experience as an innovative technology strategist and leader across federal, commercial, and non-profit sectors.

"In my new role as Chief Technology Officer, I am eager to work with our customers to align Constellation West's technology offerings with their evolving needs and help them achieve their operational and strategic goals."

Throughout his IT career, Dave has been dedicated to harnessing the power of information technology and data as catalysts for business success. His educational foundation in Computer Engineering from Cornell University, coupled with his experiences in the Navy's Nuclear Power Program, has shaped his commitment to excellence, leadership, and innovation.

Beyond work, Dave enjoys hosting gatherings, exploring restaurants, hiking, cycling, and participating in recreational leagues. His love for travel and photography complements his dynamic approach to work and life. Dave is excited to bring this rich background to Constellation West and contribute to its continued growth and success.

About Constellation West
